Kevin,

Thank you for responding to my fax. Your call was received at 11:28pm our time. The time differential makes it difficult to discuss directly some of my questions but our response to the last examiners report will be submitted shortly by our patent attorney.

I would like to better understand the US patent process and if there are any guidelines or advisory material available to the public would you kindly send them to the above address. Would you also confirm the correct spelling of your name and my apologies if I have spelt it incorrectly.

Regards

R. Kroie
